## EXPERIENCE

### Amazon Alexa

June 2021 - November 2022

UX Designer / August 2022 - November 2022

UX Design Intern / June 2021 - September 2021

- Designed features with gesture and voice interactions for Echo Buds.
- Used customer research to make design decisions.
- Presented work to stakeholders to receive feedback and iterated on it.
- Moderated usability studies of Alexa products to measure customer satisfaction and determine if products were market-ready.
- Prepared qualitative and quantitative research for Qualtrics and UserTesting to identify customer needs.

### UCI Student Center and Event Services

February 2021 - June 2022

UI/UX Designer

- Designed high-fidelity web and mobile UI mockups on Figma.
- Led stakeholder meetings to understand user needs and document design requirements.
- Applied style guidelines to maintain visual consistency.

### Hack at UCI

February 2021 - February 2022

Design Lead

- Designed graphics and websites to market workshops and events.
- Designed a sponsorship prospectus that earned a \$2.25K event sponsorship from Figma.

### UCI Commit the Change

October 2020 - June 2021

UI/UX Designer

- Worked in a team of designers on an internal management website and video hosting website for Child Creativity Labs, a local nonprofit organization.
- Participated in biweekly cross-functional design and development sprints to meet deadlines and ensure smooth handoff to developers.
